臺北醫學大學
TAIPEI MEDICAL UNIVERSITY

Name: YEH, WEI-TING (葉威廷)
Student Number: B812109013
Undergraduate Program in School of Biomedical Engineering
College of Biomedical Engineering
Degree Conferred: Bachelor of Science
Date of Conferment: 06/2024

DOB: 04/25/2002
Date of Enrollment: 09/2020
Date Printed: 07/03/2024

Subject	1st Semester CR	1st Semester SC	2nd Semester CR	2nd Semester SC
English conversation	1			
English reading			2	
English conversation			1	
Total Credits	1		3	
Average Score				
Academic Year (2020-2021)				
Forum of humanity & medicine	2	89		
Introduction to artificial intelligence	2	86		
General chemistry laboratory	1	66		
Introduction to biomedical engineering	2	81		
General biology laboratory	1	85.77		
Calculus(I)	2	90		
General biology	2	91.05		
General chemistry	2	91		
Physical education - Basketball	0	94	0	92
Basic programming			2	81
Basic service-learning			0	98.80
Calculus(II)			2	95
General physics laboratory			1	80
Introduction to computers & programming			3	90
General physics			2	71
Anatomy			2	83
German (I)	2	81		
Architecture & multi-culture	2	83		
Advanced English listening	2	94		
History of the oriental medical tradition	2	72		
Individual studies(I)	1	82.90		
German (II)			2	87
The detective in the brain: sensation, perception & illusi - ons			2	84.95
Life & creativity design			2	95.60
Introduction to assistive technology			2	81
Total Credits	23		20	
Average Score		84.82		85.36
Academic Year (2021-2022)				
Circuit theory & the electronics	3	93		
Engineering mathematics(I)	3	85		
Biomechanics	2	95		
Biochemistry	2	96		
Engineering mathematics(II)			3	82
Introduction of materials science			2	97
Physiology			3	79
Physical education - Basketball			0	91
Manifesto of the Communist Party & socialism	2	95		
Introduction to biological technology	2	84		
Individual studies(II)	1	80		
Programming languages for biomedical engineering	2	92		
organic chemistry	2	99		
Introduction to sensors	2	92		
Introduction to biophotonics			2	89
Electrophysiology & eletrotherapy			2	92.50
Individual studies(III)			1	85
Biosensors & practice			2	90
Analytical chemistry			2	90
Tissue engineering			2	90
Principle & practice of medical Instrument			2	84
Online learning- social sciences 2.0- Introduction to Econ - omics: Incentive and Markets			2	P
Computer aided design/manufacturing			2	83.60
Total Credits	21		25	
Average Score		91.43		86.97
Academic Year (2022-2023)				
Introduction to clinical medicine	2	90		
Medical device regulations & compliance	2	84		
Introduction to BME technology for life©	2	82.60		
Physical education - Basketball	0	85		
Biostatistics			2	90
Biomedical signal & system			2	86
Medical electronics			3	80
Graduation project(I)			1	85
Physical education - Volleyball			0	89
Material characterization	2	97		
Transport phenomena in biological system	2	90		
Individual studies(IV)	1	76		
Medical imaging system	2	100		
Digital logic & practice	2	78		
Mechanics of biomaterials	2	89		
Matlab & its applications	2	98		
Assistive technology: research & application	2	96		
Introduction of nanotechnology			2	95
Practicality in digital signal processing			1	92
Medical image reconstruction & 3D printing techniques			2	93.90
Human factors engineering			2	97
Internet of things in health care: applications & practice			2	98
Total Credits	21		17	
Average Score		89.77		90.40
Academic Year (2023-2024)				
Medical ethics	2	92		
Graduation project(II)	1	87		
Practicum in clinical engineering(I)	3	92		
Physical education - Fitness Training	0	87		
Practicum in clinical engineering(II)			3	91
Sports & health	2	96
